MCSF MISSION

The Monroe County Sheriff's Foundation (MCSF) is a community-based not for profit organization whose mission is simple:

To provide financial support to the Monroe County Sheriff's Office and local law enforcement for special projects and equipment that cannot be supported solely by Monroe County tax dollars – especially those directly affecting the safety and well-being of our community.

"This is the best officer wellness solution in existence. Nothing else even comes close."

Police Chief John Carli
Vacaville Police Department
Law Enforcement Wellness Leader

Officers nationwide overwhelmingly report that stress on the job has impacted their mental health.¹

Law enforcement suicides outnumber all combined line-of-duty deaths.²

90% of law enforcement officers report there is a stigma in law enforcement that creates a barrier to getting help for emotional or behavioral issues.³

The MCSF is proud to fund the CordicoShield Law Enforcement Wellness App for use by members of the Sheriff's Office. The App provides powerful tools to support and strengthen officer wellness – putting a wellness program into the hands of the deputies. The custom made app will be rolled out and made available early 2022.

K9 First Aid Kits

The Foundation provided funding for the purchase of fifteen K9 Handler First Aid kits that can be used to address K9 emergencies in the field - from severe life threatening trauma where seconds count, to removing foreign objects from paws, these K9 firstaid kits can keep the K9 on duty, or help in getting them to definitive care for further treatment.

ROCTAC training

In November 2021, the MCSF provided funding to support training for the Monroe County Sheriff's Office threat assessment and management advisory team (ROCTAC), which is a collaborative effort to mobilize community resources, streamline communication, build systematic capacity and respond proactively to possible threats in our community. As a community resource rolled out in 2019, ROCTAC has improved targeted violence threat response protocols by providing multi-disciplinary expert advice and seamless sharing of threat information across systems.

Holiday Project

In keeping with its annual tradition, the MCSF provided funding for the Sheriff's Office Christmas Project that provides food and toys for Monroe County Families in need this holiday season. 82 families received presents for children and a gift card from Aldi's valued at \$75.00 each. There were a total of 192 children who received a new gift ranging from \$10.00 to \$15.00. Volunteers from the Chili and Henrietta Senior Centers helped wrap the presents.

Meals for Deputies

To express our sincere appreciation for all the MCSO Deputies away from their families and working this New Year's Eve to keep our community safe, the Foundation provided funding to accommodate meals for all the Deputies at the Jail, Headquarters, and Zone substations. We are thankful for their service and wished to show them how much we care.

MCSF Annual Golf Classic

Our premier fund-raising event is our Annual Monroe County Sheriff's Foundation Golf Classic held at Midvale Country Club in Penfield, NY. A full field of 144 players and more than 100 additional dinner guests help us celebrate the good work of the Monroe County Sheriff's Office.

The event raises more than \$70,000 to help support the ever-growing community education and specialized equipment needs of the MCSO. We look forward to seeing our supporters on the greens again in 2022. Stay tuned for details.

Supporting the MCSF

We kindly ask for your continued support. Help us to provide the Monroe County Sheriff's Office and our local law enforcement the tools it needs to keep our communities safe.
