

# **Monroe County Sheriff's Foundation**

## **SPRING 2022 NEWSLETTER**

# Who we are

**We are a non-profit organization established in 1991**

Our mission is simple: to provide financial support for special Sheriff's Office projects and equipment that cannot be supported solely by Monroe County tax dollars – especially those directly affecting the safety and well-being of our community. The Foundation gives 100% of funds raised to the Monroe County Sheriff's Office.

# investing in our future

The Foundation proudly supports the Monroe County Sheriff's Office Teen Police Academy. High School Students can apply now for the summer sessions.

## Monroe County Sheriff's Office

### Teen Police Academy

The Monroe County Sheriff's Office Teen Police Academy is designed to give teens across the county an introduction to law enforcement training. Teens will also gain an understanding of law enforcement's role in our community. The training will include classroom instruction, actual role-plays and **rigorous** physical fitness training. It is our hope that teens will build confidence while learning good decision-making and leadership skills. There is **no charge** to attend the academy. Class sizes will be limited so the selection process will be very competitive. The applicant's school will first determine if he/she meets the criteria listed below to determine if they are eligible for an interview. If the applicant meets the criteria for an interview, he/she will then be notified by their school if/when an interview will be set up with deputies from the Monroe County Sheriff's Office. An interview with the Monroe County Sheriff's Office is not a guarantee that you will be selected for one of the Teen Police Academy weeks.

The Monroe County Sheriff's Office Teen Police Academy will offer two separate weeks to attend the academy. The teens that are chosen will attend only one of those weeks. The first academy class will be held from **July 11<sup>th</sup> through July 15<sup>th</sup>, 2022 from 8AM to 4PM**. The second academy class will be held from **July 25<sup>th</sup> through July 29<sup>th</sup>, 2022 from 8AM to 4PM**. Academy classes will be held at the Public Safety Training Facility, 1190 Scottsville Road, Rochester, NY 14624. The daily schedule will consist of **physical training**, classroom instruction and reality-based training, and will end each day with a team building exercise. Teens will be issued a Monroe County Sheriff's Office Teen Police Academy T-shirt on the first day of class and **will be required to wear this every day**. We also **require that the teens wear comfortable athletic shoes**. Teens will be given a ½ hour lunch break each day and will be responsible for bringing their own lunch Monday through Thursday. A lunch will be provided on the Friday of each academy session in honor of the successful completion of the Monroe County Sheriff's Office Teen Police Academy. **Daily attendance is mandatory in order to graduate from the program.**

#### Requirements

- Must attend an approved school in Monroe County
- Must currently be in 9<sup>th</sup> through 12<sup>th</sup> grade at the time of application process
- Must have little or no disciplinary issues
- Must be in good standing academically
- Must be in good physical health
- Must return application to your school contact by **March 18th, 2022**

**For further information about the Teen Police Academy, please contact the Monroe County Sheriff's Office at (585) 753-4831 or 753-4838.**

# MCSO Wellness Project

Funding from the MCSF to the MCSO Wellness Project is being used to support on-site Fitness Rooms, Fitness Classes, Nutrition Seminars, Stress Management, Martial Arts, Financial Counseling, Seminars on Men and Women's Health and an MCSO Wellness Day. We will look forward to sharing more information as the project evolves.

# Unmanned Aerial Vehicles

The Foundation provided funding for the MCSO unmanned aerial vehicle (Drone) program. The three DJI Phantom 4 quadcopters are camera-equipped machines available for missions including search and rescue, assisting law enforcement officers in understanding the nature scale and scope of an incident, support in tactical situations, documenting crime and accident scenes, and assisting other agencies that do not have a UAV program. Specially trained deputies are authorized to operate UAVs.

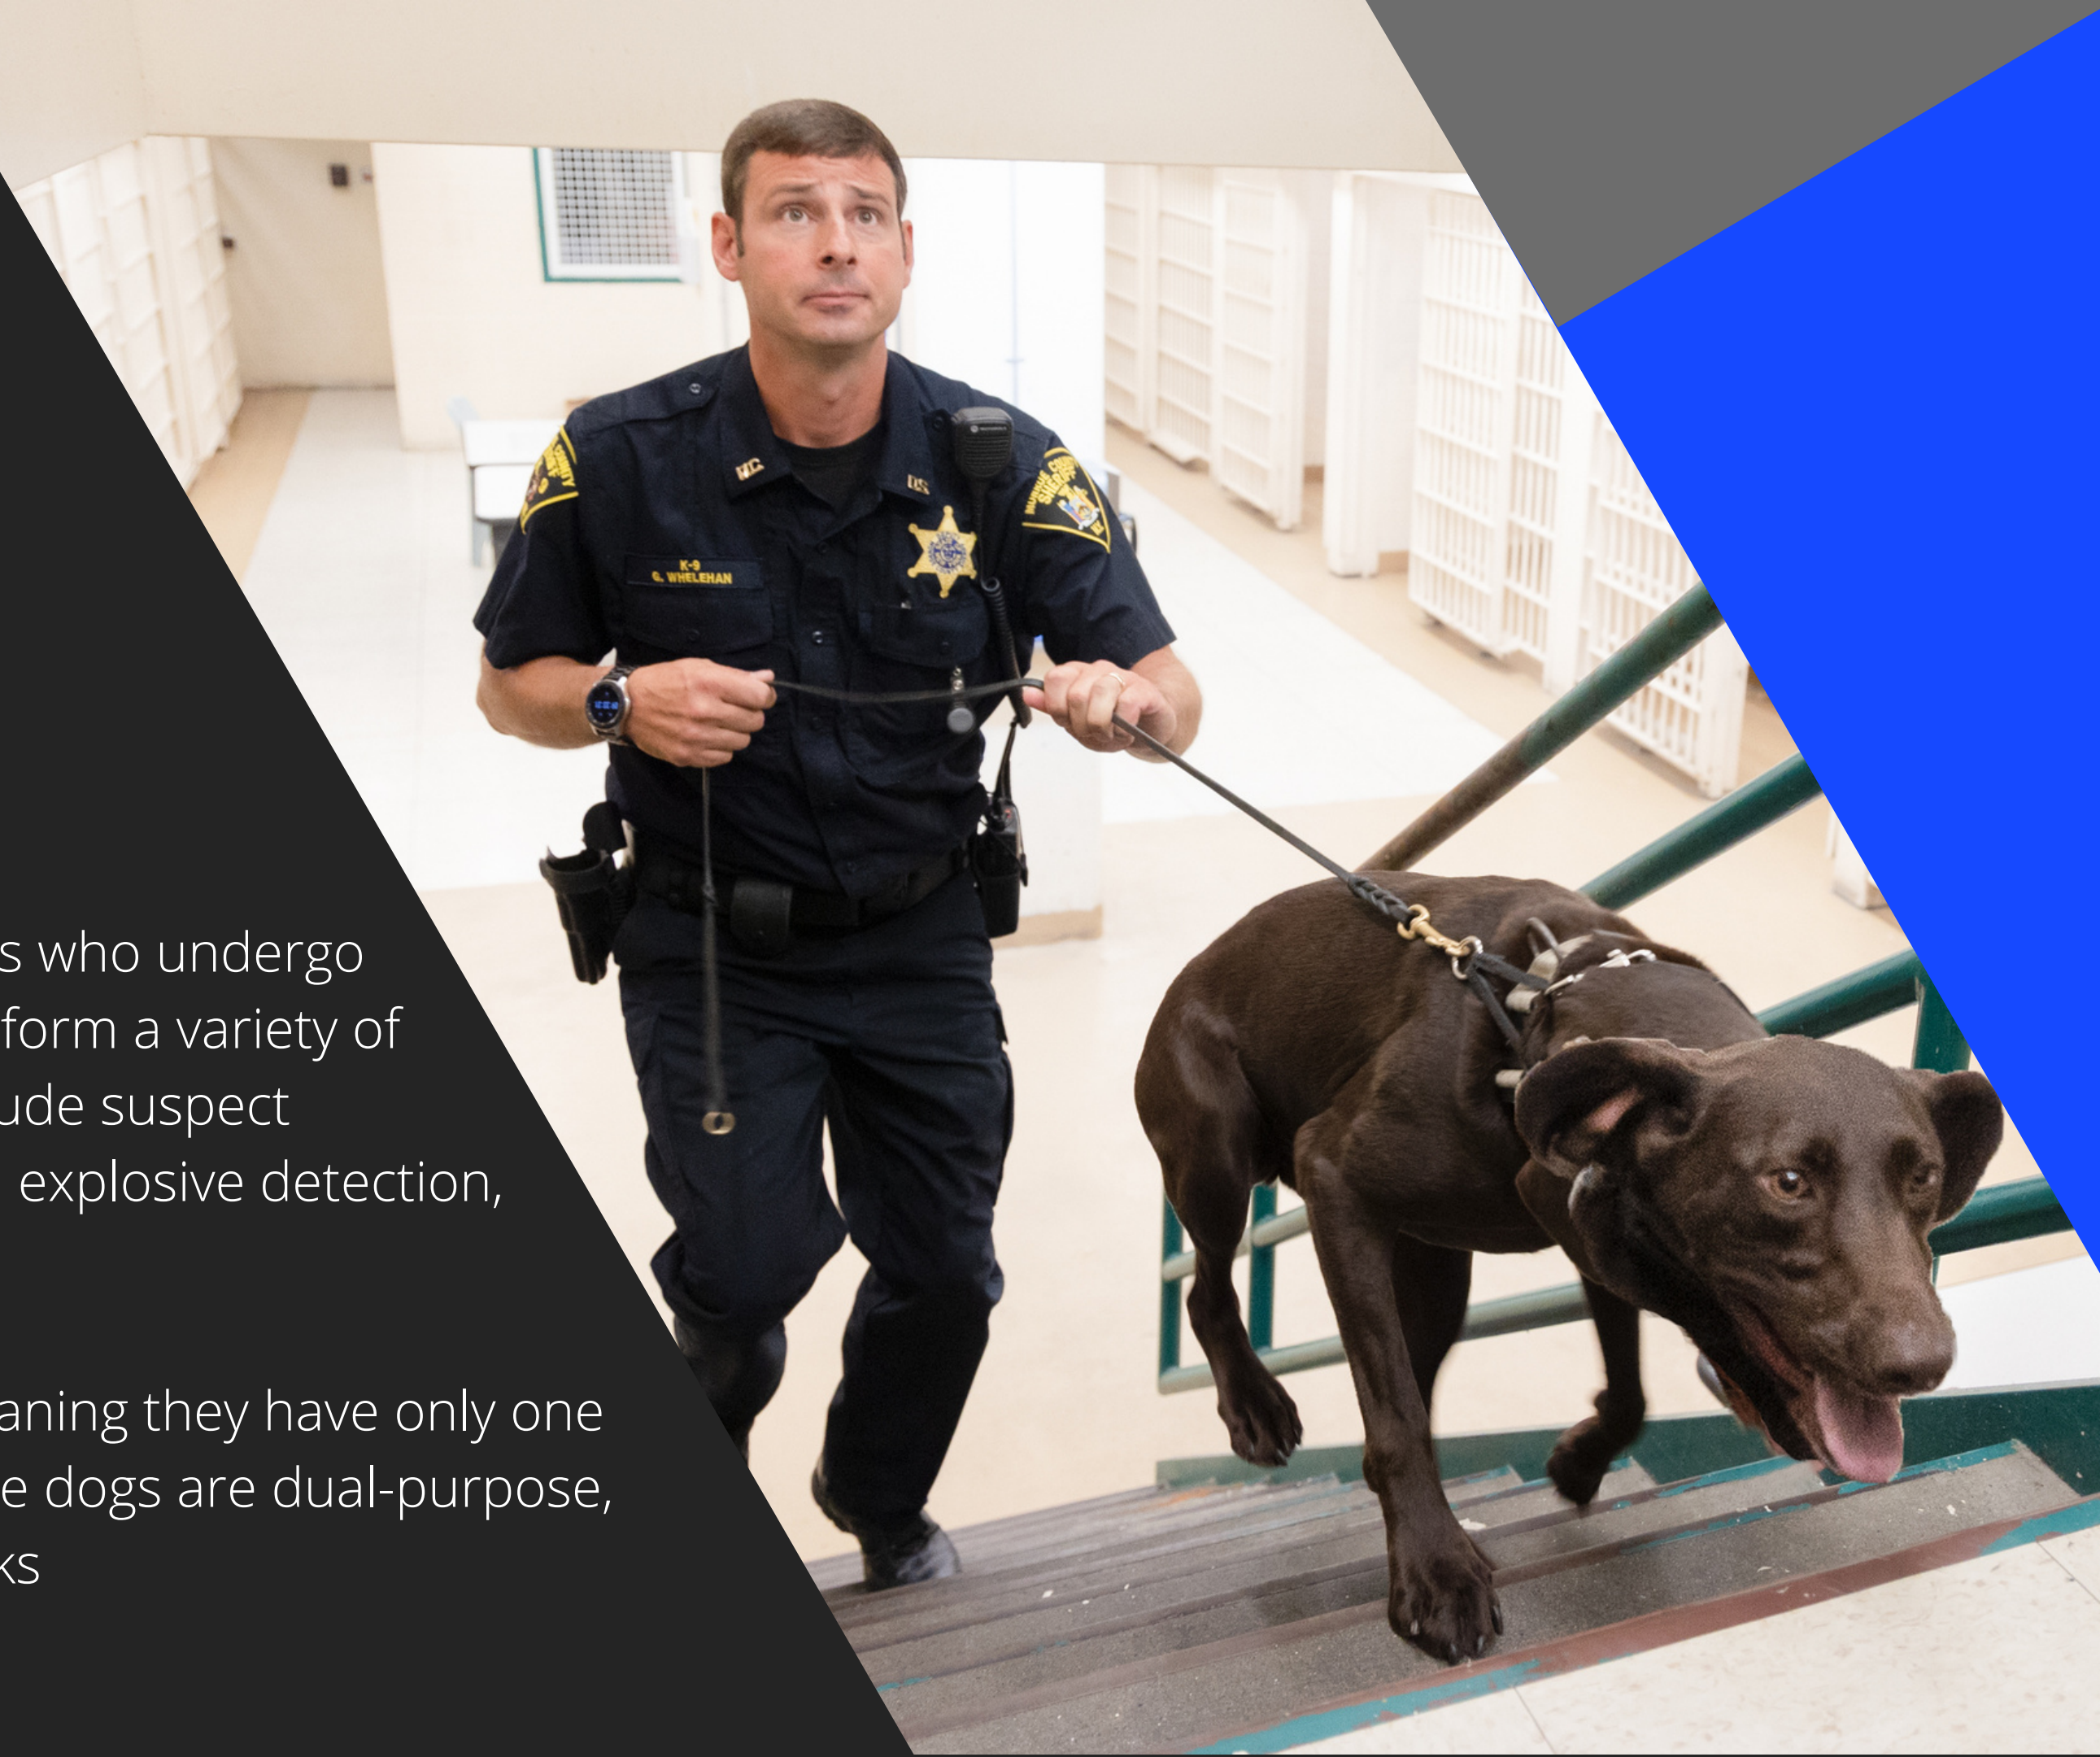

# **MCSF donations supports the MCSO K9 Unit**

Police K9s are specially bred service dogs who undergo extensive training, enabling them to perform a variety of important tasks. Common K9 duties include suspect tracking and apprehension, narcotic and explosive detection, and search and rescue.

Some police K9s are single-purpose, meaning they have only one job, like finding illegal drugs. Other police dogs are dual-purpose, meaning they are trained for several tasks
