Introducing "Clyde"

Please welcome Clyde as the newest horse in the Monroe County Sheriff's Office Mounted Unit. Prior to coming to the Sheriff's Office, Clyde was raised as an Amish workhorse. Acquired this summer, Clyde is quickly adjusting to his new role serving our community in the Sheriff's Office Special Services Group. His primary rider is Deputy Friedlander. Clyde was purchased through MCSF funding only made possible through your generous donations.

WE BACK THE BLUE

Ring of Honor - Light Up The Night

Law enforcement officers and first responders activated their emergency lights and sirens around the Cobbs Hill Reservoir in memory of the fallen. The Ring of Honor is a yearly tradition in Rochester during National Police Week. It's also a way to recognize all law enforcement officers. Lights and sirens were turned on in unison to light up the city together.

MCSO Teen Police Academy

Two sessions of the MCSO Teen Police Academy graduated in July giving select teens across the county an introduction to law enforcement training. Participants gained an understanding of law enforcement's role in our community through classroom instruction, actual role-plays and rigorous physical fitness training. The teens build confidence while learning good decision-making and leadership skills. MCSF is a proud sponsor funding uniforms for each participant.
