Investing in *Our Community*

Speed Trailer Equipment

Speed trailers help "patrol" residential streets and other high traffic areas when our street patrol is not in the area.

K-9s

The Monroe County Sheriff's Foundation has been instrumental in ensuring that the Sheriff's Office has access to critical resources like K-9 units.

Medical Care for K-9s

The Monroe County Sheriff's Foundation help the Monroe County Sheriff's Office K-9 unit.

When do Heroes Need Help?

Law Enforcement Officers often witness traumatic or disturbing situations, sometimes on a daily basis. Police service, by definition, requires them to aide in challenging or difficult scenarios that can involve our community's most dangerous individuals or victims of crimes experiencing their worst day. This service to community, coupled with challenges we all face in our own personal lives from time to time, (family difficulties, marital troubles, financial hardships, and more), can impact an officer's overall well-being.

We value a holistic approach to wellness – mind, body and spirit. Your donation to the Monroe County Sheriff's Foundation provides deputies with wellness support in their time of need, as they continue to serve and protect our community.

Time to give back.

MONROE COUNTY SHERIFF'S FOUNDATION

Officers who are on-duty on holidays receive warm meals

Dear John,

What are the stressors that you face on a daily basis?

Many of us have our own personal challenges; family difficulties, marital troubles, financial hardships, care of an elderly parent or sick child, and more. In the wake of the COVID pandemic, more individuals than ever are battling anxiety and depression, seeking services to build strength and fortitude.

Law enforcement officers who protect and serve our community are no different. In addition to the traumatic and often dangerous situations they face as first responders, they too often experience many of the same challenges we all do from time to time in their personal lives.

We value a holistic approach to wellness — mind, body and spirit. The wellbeing of those who have pledged to keep us safe is of the utmost importance. The Monroe County Sheriff's Foundation supports wellness as a priority, connecting deputies to healthcare professionals and planning wellness events.

In addition to officer wellness, MCSF also supports the following:

- K9 and Mounted Units
- Specialized Crime Investigation Equipment
- Thermal Cameras & Night Vision
- AED (Defibrillators)
- Speed Trailer Equipment
- D.A.R.E. Program
- Operation Safe Child
- Teen Police Academy
- Sheriff's Summer Camp
- Sheriff's Star Student Awards
- Christmas Basket Program
- Recruitment Initiative

"I cannot say enough about the importance of our health and wellness programs," says one deputy who has chosen to remain anonymous.

"We constantly rely on our bodies and minds to act quickly and decisively but don't always keep them in tip top shape. The support I received from Monroe County Sheriff's Office has played a major role in finding myself again."

"When I was struggling or out, the wellness team checked on me to make sure I knew I was not forgotten," says another deputy.

Your contribution to the Monroe County Sheriff's Foundation helps to support wellness opportunities for the deputies and Monroe County Sheriff's Office professional staff. **Please consider a donation to help the heroes who serve our community.** Thank you in advance for your support.

Gratefully yours,

Bill Sanborn
