SUPPORTING THOSE WHO KEEP OUR COMMUNITY SAFE

MISSION

Our mission is to provide financial support for special Sheriff's Office projects and equipment that cannot be supported solely by Monroe County tax dollars - especially those directly affecting the safety and well-being of our community.

A spot in this event is one of the most sought after on the summer tournament schedule. Participants enjoy a round of golf with friends, and especially appreciate the chance to meet and mingle with MCSO team members. The mounted patrol and K-9 units are also on hand to make the day even more special.

MCSO HEALTH & WELLNESS

Dr. Kimberly Butler, PhD, LCSW, M.S.
Director, MCSO Health & Wellness

MCSO Health & Wellness strives to promote resilience and provide opportunities for sworn and civilian staff at MCSO. We can wait for a crisis to then respond and support, or we can be proactive to support at the first sign of concern, providing resources to hopefully avoid a crisis.

MCSO Health & Wellness is a three pronged program including embedded clinicians, peer support, and training/programs. The Monroe County Sheriff's Foundation provides monetary support to allow us to fund events and opportunities where taxpayer funding cannot be utilized. The hope is to provide a wide buffet menu of opportunities so something appeals to every sworn and civilian staff member (and/or their family).

Some highlighted 2025 activities include:

- Inaugural MCSO Pickleball Tournament
- Chair and Back Massages
- 2nd Transition into Retirement Seminar
- First Responder Night at Strong Museum
- 2nd Annual March Madness Basketball Tournament
- 3rd Annual All County Peer Support Training Day
